

Proposal for “DoT OSP License Registration”

Commercial:

DoT OSP License Registration Package Includes followings: 15000/-

This package provides complete assistance for obtaining an **OSP (Other Service Provider) License** from the **Department of Telecommunications (DoT), India**.

Includes:

- Expert consultation on eligibility and compliance
- Preparation and verification of required documents
- Filing of OSP application with DoT
- Assistance in preparing network diagram and technical details
- Continuous follow-up until license approval
- Post-registration support for compliance and renewal

Outcome:

A valid DoT OSP License authorizing your business to operate BPO, call center, telemarketing, or other telecom-based services legally in India.

Documents Requirement for DoT OSP License Registration:

1. Certificate of Incorporation (CIN / LLPIN)
2. MOA & AOA
3. Company PAN Card
4. Shareholding Pattern & Current Director List
5. Board Resolution authorizing license application
6. Board Approval Letter for OSP License
7. Details of OSP business activities
8. Network & IT Diagram approved by TSP

Minimum Requirement for DoT OSP License Formation:

- OSPs must obtain telecom resources only from authorized government-registered TSPs.
- The TSP will provide resources only after reviewing and approving the OSP's network diagram.
- OSPs must submit the approved network diagram to the VTM Cell for records and verification.
- Both the TSP and OSP are jointly responsible for compliance with their respective license/registration conditions.
- Any violation in the use of telecom resources will hold both parties accountable as per DoT terms.
